

The more career fair representatives you bring, the bigger your outreach!

Bringing multiple representatives to staff your booth has ***many benefits.***

Save time

Having multiple representatives at the fair allows you to ***meet more candidates***, making the fair a better experience for all participants.

Save money

There is ***no extra cost*** nor a limit to the number of representatives that can staff a booth. In fact, save money by bringing ***four or more representatives!***

Maximize your reach

There is much to do at a virtual career fair! Bringing more representatives ***assists with hosting multiple chat types.*** In addition to meeting one-on-one with students via video or audio chat, representatives can have multiple one-on-one conversations simultaneously via text-based chats.
